

**ECOSLOPS: THE 2018 EVOLEN INNOVATION PRIZE AWARDED TO THE MINI-P2R**

PARIS, October 3rd, 2018 - 6:10 pm

On the occasion of the 20th anniversary of its Innovation Award, and in the presence of Mrs Virginie Schwarz, Director of Energy attached to the Ministry of Ecology, Sustainable Development and Energy, EVOLEN awarded the «2018 Innovation Award» to Ecoslops' Mini-P2R, a containerized revalorization unit for oily residues intended for all medium-sized ports.

This prize rewards small and medium-sized companies, distinguished by the scope of its innovation (product, service or initiative). The 2018 Innovation Award was presented this Wednesday, October 3rd, at the Palais des Congrès in Paris during the EVOLEN Annual Days. This award, recognized by the entire profession, was attributed following a presentation of the projects before a jury composed of companies and professionals from the energy industry.

**ABOUT ECOSLOPS**

Ecoslops is listed on Euronext Growth in Paris - Code ISIN : FR0011490648

Ticker : ALESA / PEA-PME eligible

Investor Relations : [info.esa@ecoslops.com](mailto:info.esa@ecoslops.com) - 01 83 64 47 43

Player of the circular economy, Ecoslops has developed and implemented a unique technology to upgrade oil residues into new fuels and light bitumen. The solution proposed by Ecoslops is based on a unique micro-refining industrial process that transforms these residues into commercial products that meet international standards. Ecoslops offers an economic and ecological solution to port infrastructure, waste collectors and ship-owners through its processing plants.
